Questions for My Plastic Surgeon

About My Plastic Surgeon

1. What are your credentials (Board certified by the American Board of Plastic Surgery)?
2. How long have you been practicing plastic surgery?
3. How long have you been doing dermal fillers and how many have you done?
4. May I have references from past clients?
5. May I see before and after photos?

About Dermal Fillers

1. Can you explain the difference between products?
2. What name brand products do you use?
3. How do you choose the dermal filler that is right for me?
4. How many treatments will I need to get the desired result?
5. How long will the treatment last?

About the Procedure

1. What do I do to prepare for the procedure?
2. Will it hurt? Do I need a topical anesthetic?
3. How long does the procedure take?
4. What risks or complications should I be aware of?
5. What will I look like after the procedure?
6. Can I wear make-up after the procedure?

More Important Questions....

1. What areas of my face will benefit most from dermal fillers?
2. What is the total cost of the procedure?
3. Does this price include follow-up treatments?
4. What vitamins or medicine should I take prior to the procedure?
5. Will I need any special ointments following the procedure?
6. How soon can I get it done?
